# **WEBINARS 2025**

## **TEST FOR NEW INTERPRETATION OF DOUBLE TOUCH IN INTERNAL PASSES**

## THE NEW INTERPRETATION (Test):

### 1 - NO FAULT

During second contact of the team, consider **NO FAULT** if the contacts are made in one action

#### **DEFINITION:**

When passing the ball between teammates, using an overhand finger action, consecutive contacts with the ball in the hands are allowed, **provided they occur during one action.**

**NOTE:** The videos in the next slides are only examples of actions before called as double touches but **NO LONGER CONSIDERED AS A DOUBLE TOUCH FAULT in the new interpretation!**

## THE NEW INTERPRETATION:

### **2 - FAULT**

But a **fault** only when it is clear to see that the player has contacted the ball **twice in a SUCCESIVE way.**

#### DEFINITION:

Successive contacts: The ball slips through the player's hands and hits the head, or visibly separate successive contacts, **this is a double contact, FAULT**

NOTE: The videos in the next slides must be call as a **DOUBLE TOUCH FAULT!**

## THE NEW INTERPRETATION:

### **3 – FAULT**

Still considering as faults all attack hits made with a “double contact” judged with the “old” interpretation.

#### DEFINITION:

Completed attack hits made in this way, will be judged as “double contact”  
**FAULTS.**

NOTE: The videos in the next slides must be call as a **DOUBLE TOUCH FAULT!**

## STILL THE SAME:

### **4 – CATCH / THROW**

Catches or lifted/thrown balls will continue being considered as faults and should be called.
